The Educational Psychology Service
briefly explained

Anmeldegründe

Your child is going to school. Maybe there are problems.

Your child has problems with learning?
With reading, writing or mathematics?

Your child finds it difficult to listen?

Your child has problems with other children
or adults?

Your child is afraid of school?

Wir über uns

The teacher can help with many problems.

Sometimes this is not enough.
Maybe you want more help?

Then use our Educational Psychology Service!

We work together with children, parents
and schools.

What can we do?

- Look for answers together
- Look for new ideas together
- Solve problems together

Unsere Angebote

Our goal:

To help your child learn well and feel
happy at school.

What do we do?

We talk to you and your child.
A translator can be part of the conversation.

Maybe we watch your child at school.

We look closely at:

- How your child is feeling
- Why your child has problems
- What your child's potential is
- What your child's learning needs are
